To the Chief of the Planning and  
Economic Department of the SMU:

Comrade Ferezhichenko:

In accordance with your order, I present to you the primary requirement(s)  
of materials, equipment, and instruments for the shipbuilding yard Klaus  
Enrolbrecht, which is constructing sea-going fishing cutters for the account  
of the Soviet Union.

In this calculation, the requirements of raw materials, materials, and  
equipment are based on (the expectation) that (the firm) will build five  
cutters in 1947 and fifteen in 1948.

Signed: Lt. Col. Yermakov
